

# Welcome to **Kyron Medical's** Denial Claim Solution

Claim denials are silently draining your private practice, costing you \$50,000–\$100,000 annually and eating up 15–20 hours of staff time each week. At Kyron Medical, we understand the frustration of unpaid claims and endless paperwork. Our AI-driven platform streamlines denial handling, recovers up to 80% of denied revenue, and cuts administrative time by 60%. With Kyron, you can stop worrying about rejected claims and get back to what matters most—delivering exceptional care to your patients. Let us handle the denials, so you can focus on healing.
